

## MISSION STATEMENT

Following the teachings of Jesus Christ, the Roman Catholic Church, and the Hospitaller Order of St. John of God, Camillus Health Concern provides Christian hospitality and respect for life through direct service. The mission is to treat the mind, body and spirit of the poor and homeless in South Florida, via the delivery of health and dental care, substance abuse treatment, and social services.

Camillus Health Concern is a religious apostolate of the Hospitaller Order of St. John of God and the Roman Catholic Church. The spirit and content of the Code of Canon Law pervades throughout the governance and corporate life of Camillus Health Concern. We join in faith to facilitate the unfolding of God's providential plan in every aspect of our organization. Our readiness to meet the complexity and concerns of our brothers and sisters in need identifies us as a mission of hope.
