

## Camillus Health Concern

Good Shepherd Health Center

### 2021 SLIDING FEE SCHEDULE FOR PATIENTS

It is the goal of Camillus Health Concern, Good Shepherd Health Center, to charge patients according to their ability to pay. All patients are placed on a sliding fee scale according to family size and proof of income.

This fee scale is based on the Department of Health and Human Services Poverty Guidelines, published yearly. Updated guidelines can be obtained from the Census Bureau or via the website <https://aspe.hhs.gov/poverty-guidelines>.

Income of all existing sliding scale patients are verified during the new patient registration process and annually thereafter. Changes in family size and income are noted in CHC's Financial Assessment form. **No one is refused service due to inability to pay.**
